KENYANS IN VICTORIA

In loving memory of Kioko Kilunga Maingi
Community tribute · 25 November 2026

Dear family, friends and fellow mourners,

On behalf of Kenyans in Victoria, we extend our heartfelt condolences to the family and loved ones of Kioko Kilunga Maingi. Today, we stand together to honour his life and offer comfort to those who mourn him.

We sincerely thank everyone who has contributed financially, offered prayers, volunteered their time or supported the family in practical ways. Your kindness reflects the Kenyan spirit of compassion and unity. Every contribution and gesture of care has made a difference.

This solidarity reminds us of the importance of preparing together. Through KIV Welfare, we are building organised support for bereaved members, including assistance towards repatriation or local funeral costs, in line with our approved constitution and eligibility requirements. We encourage community members to consider joining a trusted welfare group to help ease the burden on families during difficult times.

To Kioko’s family: our care does not end with today’s service. May you continue to find strength in one another, comfort in your cherished memories and reassurance in the community standing beside you.

May Kioko rest in eternal peace.

Nguvu Yetu ni Kushikana. You Will Never Walk Alone.

Thank you.
